Founder's Message

Dear Customers & Suppliers,

I feel, it is an honour and privilege to spearhead one of the leading distributors, stockiests & traders of all types of pipes and pipe fittings in India as its proprietor.

Having established our credentials as a leading player in the market of pipe and pipe fittings business in India, we continue to define, refine and redefine our product availability, brands and prices with the help of our experts. We continue to sharpen our axes by maintaining a strong relationship between the manufacturers and buyers as a wholesaler and establishing '**AJAY ENTERPRISES**' as a reputed Distributor.

Over the years, we have made consistent efforts to strengthen the corporate governance. Moreover, we have successfully earned a remarkable reputation during the years.

At Ajay Enterprises, we continue to focus on our duties as a corporate citizen. Ajay Enterprises continuously challenged its limits and thus has established a stronger foundation, upon which we are envisioning a brighter future to unfold.

As a potential or existing customer, suppliers and vendors your unstinted support and cooperation is highly valued. It is also the effort of the employees whose tireless commitment has enhanced the performance of the organization.

*"The path is steep, The challenges are frequent,
The resolution is steady, The foundation is stronger,
The future is brighter"*

AJAY GUPTA
Founder

About the Organization

The group is managed by a Talented, Dedicated and committed person, Mr Ajay Gupta (FOUNDER) and assisted by a Team of Qualified and skilled work force.

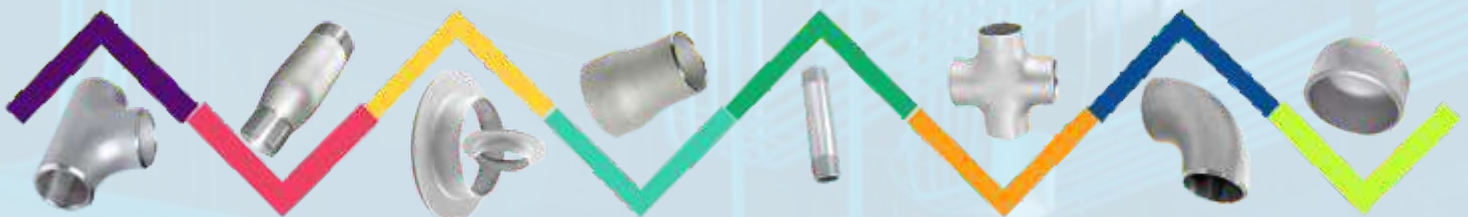

Our organization has celebrated its glory of success for completion of 30 years of Its establishment in the year 2020. Our Group turnover is more than ₹5 Crores.

We are the AUTHORIZED DISTRIBUTOR of National & International reputed Manufactures and their Brands.

At present, we are supplying approximately 30,000 MT of pipes and Pipe Fittings per annum to various contractors, builders and Government sectors. All the goods supplied by us are ISI marked. Not surprisingly, we also offer the widest and most comprehensive range of products in India.

Our major customers include various Defence, Irrigation, Construction and Infrastructure clients and a very Large number of contractors, Builders and Developers spread all over the country.

"Together We Are, Together We Grow"

Vision

We aspire to become the leader in the field of all kinds of pipes and pipe fittings, valves and other plumbing material by providing our customers world standard products at reasonable prices and channelizing our network beyond the boundaries, which facilitates a unique distribution network to our customers. We continuously maintain and refine our product range which makes stronger relations with our credential customers. We believe in conducting business with trust and quality, and it is evident from our huge base of target customers in the market

Committed towards a better tomorrow

Mission

Our mission is to become a market leader by being one of the providers of the Best Quality Products through applying continuous expansion, better business practices, meeting market expectations and attaining employee's satisfaction.

On the other hand, we are committed to work in close association with our valued customers to comprehend their long-term needs and to meet their satisfaction by providing valuable information of the application of various products and guidance.
